- '*Study in India programme*' (SII) is a Ministry of Education of Government of India supported body for internationalization of Indian higher education institutions in line with the Government of India's diversification policy. In March 2021 we have successfully completed the paper work to be a member of '*Study in India programme*' (SII) and now SRIHER is officially on the SII list of participated Universities, most of our programs included on SII website and authorized to receive the International students sponsored by both Ministry of Education and Ministry of External Affairs of Government of India. Through which 7 students sponsored from 6 different countries to SRIHER IN 2021, however due to the Covid pandemic only one student joined in the year 2021 from USA.
- In total 8 International MoU's were signed in 2020 which is being an ongoing process and continued in 2021.
